A minor who violates this section is responsible for a civil infraction or guilty of a misdemeanor as follows punishable by the following fines and sanctions:
 - a. For the first violation, the minor is responsible for a civil infraction and shall be fined not more than \$100.00. A court may order a minor under this subdivision to participate in substance use disorder services as defined in the public health code, MCL 333.6230, and designated by the administrator of the office of substance abuse services, and may order the minor to perform community service and undergo substance abuse screening and assessment at his or her own expense as described in subsection (5). or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$200, or both. A court may order a minor under this subdivision to participate in substance use disorder services as defined in the public health code, MCL 333.6230 and designated by the administrator of the office of substance abuse services, to perform community service and to undergo substance abuse screening and assessment at his/her own expense as described in subsection (5).

- c. If a violation of this subsection occurs after 2 or more prior judgments, the minor is guilty of a misdemeanor. A misdemeanor under this subdivision is punishable by imprisonment for not more than 60 days, if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$500.00 or both, as applicable. A court may order a minor under this subdivision to participate in substance use disorder services as defined in the public health code, MCL 333.6230, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).
2. An individual who furnishes fraudulent identification to a minor or, notwithstanding subsection (1), a minor who uses fraudulent identification to purchase alcoholic liquor, is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00 or both.
3. If an individual who pleads guilty to a misdemeanor in violation of subsection (1)(b) or offers a plea of admission in a juvenile delinquency proceeding for a misdemeanor violation of subsection (1)(b), the court, without entering a judgment of guilt in a criminal proceeding or a determination in a juvenile delinquency proceeding that the juvenile has committed the offense and with the consent of the accused, may defer further proceedings and place the individual on probation. The terms and conditions of that probation include, but are not limited to, the sanctions set forth in subsection (1)(c), payment of the costs including minimum state cost as provided for in section 18m of chapter XIIA of the probate code of 1939, MCL 712A.18m, and section 1j of chapter IX of the code of criminal procedure, MCL 769.1j, and the costs of probation as prescribed

in section 3 of chapter XI of the code of criminal procedure, MCL 771.3. If a court finds that an individual violated a term or condition of probation or that the individual is utilizing this subsection in another court, the court may enter an adjudication of guilt, or a determination in a juvenile delinquency proceeding that the individual has committed the offense, and proceed as otherwise provided by law. If an individual fulfills the terms and conditions of probation, the court shall discharge the individual and dismiss the proceedings. A discharge and dismissal under this section is without adjudication of guilt or without a determination in a juvenile delinquency proceeding that the individual has committed the offense and is not a conviction or juvenile adjudication for purposes of disqualifications or disabilities imposed by law on conviction of a crime. An individual may obtain only 1 discharge and dismissal under this subsection.

4. A misdemeanor violation of subsection (1) successfully deferred, discharged, and dismissed under subsection (3) is considered a prior judgment for the purposes of subsection (1)(c).

5. A court may order an individual found responsible for or convicted of violating subsection (1) to undergo screening and assessment by a person or agency as designated by the department-designated community mental health entity as defined in the mental health code, MCL 330.1100a, to determine whether the individual is likely to benefit from rehabilitative services, including alcohol or drug education and alcohol or drug treatment programs. A court may order an individual subject to a misdemeanor conviction or juvenile adjudication of, or placed on probation regarding, a violation of subsection (1) to submit to a random or regular preliminary chemical breath analysis. The parent, guardian, or custodian of a minor who is less than 18 years of age and not emancipated under MCL 722.1 et. seq., may request a random or regular preliminary chemical breath analysis as part of the probation.

6. The secretary of state shall suspend the operator's or chauffeur's license of an individual convicted of a second or subsequent violation of subsection (1) or of violating subsection (2) as provided in section 319 of the Michigan vehicle code, MCL 257.319.

7. A police officer who has reasonable cause to believe a minor has consumed alcoholic liquor or has any bodily alcohol content may request that individual to submit to a preliminary chemical breath analysis. If a minor does not consent to a preliminary chemical breath analysis, the analysis shall not be administered without a court order, but a police officer may

8. The police department on determining that an individual who is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6, allegedly consumed, possessed, or purchased alcoholic liquor, attempted to consume, possess or purchase alcoholic liquor, or had any bodily alcohol content in violation of subsection (1) shall notify the parent or parents, custodian, or guardian of the individual as to the nature of the violation if the name of a parent, guardian or custodian is reasonably ascertainable by the police department. The police department shall notify the parent, guardian or custodian not later than 48 hours after the police department determines that the individual who allegedly violated subsection (1) is less than 18 years of age and not emancipated under MCL 722.1, et. seq. The police department may notify the parent, guardian or custodian by any means reasonably calculated to give prompt actual notice including, but not limited to, notice in person, by telephone, or by first-class mail. If an individual less than 17 years of age is incarcerated for violating subsection (1), his or her parents or legal guardian shall be notified immediately as provided in this subsection.
9. This section does not prohibit a minor from possessing alcoholic liquor during regular working hours and in the course of his or her employment if employed by a person licensed by the Liquor Control Code, Liquor Control Commission, or by an agent of the Liquor Control Commission, if the alcoholic liquor is not possessed for his or her personal consumption.
10. The following individuals are not considered to be in violation of subsection (1):
 - a.
